

Design and Alien and Space Ship

- Give your alien a name.
 - Remind us of where he/she is from.
 - Label and describe his/her features (features= how he she looks/is built).
 - Explain why he/ she has those features (this should relate to your planets' composition etc.).
 - What special equipment did your alien have to use to survive on Earth?
 - Why did your alien use that equipment?
 - What materials was the equipment made of and why?
 - What modifications did your alien have to make to its' body to survive on Earth and why?
-
